530 Harbour Ct, Havre de Grace,
MD

LANGUAGE

- English
- Polish (basic)

EXPERTISE

Programming Languages:
C/C++, Java, JavaScript,
HTML5, CSS, Python.

+ some runtime experience
with Node.js

EXPERIENCE

Intern @CodeZealotStudios
2023-2024

Programming internship primarily revolving around
Javascript and web dev tools

**Internship / Programming Research
Group**
2024-Present

As a test developer under the guidance of two esteemed
professors at Harford Community College, I contributed to
the development of a course utilizing Zylabs, focusing on
JavaScript, HTML, and CSS

Self-made projects
2021-Present

I enjoy creating engaging projects for myself, friends and
family, including dynamic portfolios and console C++
games.
